iPECS DESKTOP & WIRELESS TERMINALS

ERICSSON-LG iPECS SYSTEMS OFFER A WIDE VARIETY OF DESKTOP IP HANDSETS, DSS CONSOLES AND WIRELESS IP PHONES. iPECS TERMINALS ARE FEATURE RICH AND SIMPLE TO USE.

LIP-8050V

Premium Desktop IP Phone with Video (480x272, Wqvg, H264)

- Suitable for remote workers, managers, executives
- Key benefits:
 - Peer to peer video communication (QCIF, CIF)
 - Video communication with Phontage, UCS or IP Video Door Phone
 - Local media play (MP3, 3GP from USB)
 - Informative large full color display
 - Handsfree with automatic gain control
 - Dual LAN Port

LIP-8024E

IP Gigabit phone for professional call handling

- Suitable for managers, receptionist, office & home office
- Key benefits:
 - User programmable 24 feature keys
 - Context sensitive softkeys
 - Handsfree with automatic gain control
 - Optional electronic hookswitch adaptor for wireless headsets
 - Dual LAN Port
 - Gigabit

LIP-8002E

Affordable entry level IP telephone

- Suitable for reception lobbies, meeting areas, manufacturing and retail floors
- Key benefits:
 - Affordable large deployments, simple to use with fixed feature keys
 - 4 programmable feature keys
 - Dual LAN Port

LIP-8040E

IP Gigabit phone for executives

- Suitable for executives, managers & office workers
- Key benefits:
 - Informative large LCD display, LCD feature key labelling
 - Context sensitive softkeys
 - User programmable 10 feature keys with LCD underlay
 - Handsfree with automatic gain control
 - Dual LAN Port
 - Gigabit

LIP-8012E

Everyday use standard IP Gigabit phone

- Suitable for most office workers & home office workers
- Key benefits:
 - Standard featured IP phone, 4way navigation key
 - User programmable 12 feature keys
 - Context sensitive softkeys
 - Optional electronic hookswitch adaptor for wireless headsets
 - Handsfree with automatic gain control
 - Dual LAN Port
 - Gigabit

WIT-400HE Fully featured system wireless IP phone

- Suitable for Office, Home office, field worker, warehouse manager
- Key benefits:
 - Mobility
 - Leverages existing WiFi infrastructure

GDC-450H Robust DECT system handset

- Robust housing, shield window
- Key benefits:
 - In house mobility
 - Durable
 - Increased standby time
